CERTIFICATE OF ANALYSIS

Product	Xenoestrogens Support	Lot Number	250103-RT2551
Item Number	RT2551	Country of Origin	USA

TEST	SPECIFICATION	RESULTS	METHOD
Identity			
Capsule Appearance	Clear hard-shell capsule, size 0, filled with powder	Pass	DOC-1779 (WI-QC-017)
Powder Color	Greenish, To Match Standard	Pass	DOC-1779 (WI-QC-017)
Powder Odor	Characteristic, To Match Standard	Pass	DOC-1779 (WI-QC-017)
Fingerprint Identity	Must Conform to Standard	Pass	UHPLC-DAD
Purity			
Total Aerobic Microbial Count	≤ 1 x 10^7 cfu/g	Pass	USP <2021> *or equivalent*
Total Combined Yeast and Mold Count	≤ 1 x 10^5 cfu/g	Pass	USP <2021> *or equivalent*
Enterobacterial Count (Bile-Tolerant Gram Neg. Bacteria)	≤ 1 x 10^4 cfu/g	Pass	02-209-01
Staphylococcus aureus	None Detected in 10 g	Pass	USP <2022> *or equivalent*
Escherichia coli	None Detected in 10 g	Pass	USP <2022> *or equivalent*
Salmonella spp.	None Detected in 10 g	Pass	USP <2022> *or equivalent*
Lead (Pb)	Conforms to USP <232> Elemental Impurities Limits (Heavy Metals) ≤ 5 µg per 2 capsules	Pass	ICP-MS
Arsenic (As)	Conforms to USP <232> Elemental Impurities Limits (Heavy Metals) ≤ 15 µg per 2 capsules	Pass	ICP-MS
Cadmium (Cd)	Conforms to USP <232> Elemental Impurities Limits (Heavy Metals) ≤ 5 µg per 2 capsules	Pass	ICP-MS
Mercury (Hg)	Conforms to USP <232> Elemental Impurities Limits (Heavy Metals) ≤ 2 µg per 2 capsules	Pass	ICP-MS
